

Mini Indoor Trec
Sunday 29 January 2017
Start 11am

About Indoor Trec

Indoor Trec is a challenging competition that test your bond between you and your horse . Firstly, the CoP phase. This involves asking your horse to canter down a marked corridor as slowly as possible. Once you reach the end, you turn around and walk back as fast as you can. Points are awarded out of 60 for time, and deducted for breaking pace or leaving the corridor.

The PTV stage is a little more challenging. A selection of 10 obstacles are laid out around a course, designed to simulate hazards that you might encounter whilst riding out. Each obstacle carries a possible top score of 10, and none of them are obligatory.

Clear Round from 11am

A chance to practice some basic obstacles in the arena.

Classes:

Beginners: Never competed at a GB Trec Competition.

Open: For all riders
